

## COMMITTEE OF MANAGEMENT FOR THE NATURAL SCIENCES TRIPOS

### BUSINESS APPROVED BY CIRCULATION

This note summarises the business approved by circulation, which replaced the meeting of the Committee scheduled for 2:15 pm on Tuesday 4 May 2004 in the Council Room at the Old Schools.

#### **1. Membership Of The Committee**

The Committee noted that the Admissions Forum has appointed Mrs Susan Stobbs as their representative on the Committee, until September 2006.

#### **2. Preliminary Reading List: Biology of Cells (minute 183i, 192ii)**

The Committee received copies of an email, dated 16 March 2004, from the course organiser for Part IA Biology of Cells, regarding the revision of the preliminary reading list (**CM.230**). The course management committee has reviewed the content at the request of this Committee.

#### **3. Undergraduate Admissions**

The Committee noted the information circulated by the Cambridge Admissions Office on behalf of the Admissions Forum (**CM.231**). Dr Wilson drew attention to the decline in numbers in Natural Sciences and Computer Science.

#### **4. Directors of Biological Studies**

The Committee received the minutes of a meeting of the Directors of Biological Studies held on 8 January 2004 for information (**CM.232**). In response to item 4, the Secretary reported back on the discussions of this Committee held on 3 February 2004 (minute 185ii).

#### **5. Changes to Supplementary Regulations: Part IA Materials and Mineral Sciences**

The Committee received a letter, dated 24 March 2004, from Dr Leake, regarding proposed changes to the supplementary regulations for Part IA Materials and Mineral Sciences (**CM.233**) and **agreed to the changes to supplementary regulations**.

#### **6. Dates of Meetings for Next Year**

The Committee noted dates of meetings for next year.

<i>Michaelmas</i>	<i>Lent</i>	<i>Easter</i>
19 October 2004	8 February 2005	10 May 2005
30 November 2004	8 March 2005	14 June 2005

#### **7. Items Of Reserved Business**

There were no items of reserved business.
